PROFILE

Highly motivated Sales Associate with extensive customer service and sales experience. Outgoing sales professional with track record of driving increased sales, improving buying experience and elevating company profile with target market.

AREAS OF EXPERTISE

Microsoft Word, PowerPoint, Excel, Auto CAD, SQL
for ORACLE, XLminer

PROFESSIONAL EXPERIENCE

Manufacturing Engineering Intern, 01/2016 -

Parker-Hannifin, Corporation “ Dublin, GA,

- Introduced and implemented new inventory management system that helped to accurately calculate the warehouse inventory.
- Designed a detailed Bill of Materials according to the requirement of the company products, resulting in exact tracking of the parts.
- Worked with the team and wrote several documentations for the company.
- Assisted Purchasing Manager to gain fundamental knowledge of supply chain management.
- Conducted Internal Audit over various departments.

Industrial Engineering Intern, 01/2015 - 07/2015

Alamo Group “ Gibson City, , India

- Teamed with other engineers to work on a product according to customer need.
- Worked on a three-member team to develop a complete quality check for incoming products, including necessary tool and fixtures.
- Implemented a Root Cause Analysis system to find out the primary cause of the product failure.

Project Intern, 06/2013 - 05/2014

Datawatch “ Troy, , India

- Lead a team of 4 members to design and manufactured a 'Hydraulic Punching Machine' for punching holes of various sizes on the door panel of an automotive vehicle.
- The machine improved the productivity of the company and reduced the lead time of the operation by 5 minutes.
- Easy to Operate, High Accuracy, Low Maintenance, Cost Effective.
- Designed considering ergonomic safety.
- Course Projects: Analysis of factors affecting sound quality of cell phone speakers.
- Compared the sound quality of two cellphone speakers using hypothesis testing methods.
- By studying the factors affecting the sound quality; successfully found out the cellphone with better speakers.
- Elimination of non-value added processes at Polychem Industries.
- Made appropriate changes to the layout of the plant to reduce non-value added processes.
- Divided the different tools and arranged them according to their Family and designated place for them.

EDUCATION

Master of Science: Industrial Engineering, Present

-

University of Illinois - Chicago,

GPA:

Industrial Engineering

Design and Analysis of Experiments, Quality Control and Reliability: ,

-

-,

GPA:

Bachelor of Engineering: Production Engineering, 2014

-

University of Pune - ,

GPA:

Production Engineering

Manufacturing Practices, Material Forming, Machine Tool Engineering) : ,

-

-,
